

DEEP KEY SAFES

With a body constructed from 3mm steel, as used in the manufacture of cash safes and a 6mm steel slab door, our **Deep Key Safes** provide unparalleled protection and are used extensively throughout the UK's prestige motor dealers, police stations and banks.

HIGH SECURITY KEY FILING SYSTEM - DEEP 100/HS

- A key cabinet with increased depth - Ideal for storing bunches of keys
- Manufactured from 3mm welded steel plate body with a 6mm steel door
- 3-way locking mechanism for added protection
- Standard locking - CEN/VDS approved double bitted lock and 2 keys
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
