

Model LTP Guest Laptop Safe

Protector Guest

The Protector Guest Range includes 3 security safes that are ideal for temporary guest users in environments such as hotels. All have motorised locking bolts and come with emergency override key access.

Features:

-  Programmable electronic lock with LED
-  Model DCP-230P has card swipe access
-  Model LTP GLS has internal light

Burglary Resistant Classification

Manufacturers insurance rating £2,000. Check with your insurance provider as ratings may vary

Fire Resistant Classification

NONE

Not all safes are fire resistant. This safe has been designed to protect its contents from theft.
